

**Midwest Regional Educational Resource Center
Local Professional Development Committee
Independent Activity Form**

LPDC approval is required if you create or participate in an independent professional development activity that has no official supervision which would provide you with verification of dates or documentation of the clock hours earned. Complete and submit this form via email to the LPDC Secretary for approval of your Professional Development Activity. The final decision on approved clock hours will be determined by the LPDC.

Name _____

District _____

Number of Contact Hours Requested: _____

(The final decision on approved clock hours will be determined by the LPDC and may not equal total requested hours.)

Write a brief description of the activity. If it is professional reading, please give the name of the reading and the author as well. Include the dates the activity was performed.

Write a brief description of how this helped you to grow professionally.
