Subject: High-Performing ESC Designation

Good afternoon,

This e-mail is a follow-up on the application you submitted in to receive the designation of high-performing educational service center. I am pleased to inform you that ODE has reviewed and approved your application. As was the case last year, all 51 ESCs applied, and all will be designated as high-performing.

Across the state, ESCs reported significant savings to local school districts. This represents value that you and your colleagues are providing to local school districts. We know this is only a part of the total savings you provide each year.

Should you have any questions, please do not hesitate to contact me. Congratulations!

Thanks,

Aaron
