If this occurs, you will most likely need to resubmit your application to ODE and could be charged a fee from ODE.

3. ODE will notify the MRESC LPDC of your application

The LPDC chair will place your name on the next meeting agenda, for a final review.

- **If you meet the PD requirements** in your final review, the LPDC Chair will login and E-Sign your ODE license renewal application.
- **ODE will then either issue your new license** or they will give you further instructions regarding **your** specific application process.

Basic Requirements for License Renewal...

All educators renewing a license are required to submit a five (5) year Individual Professional Development Plan (IPDP) to their LPDC and follow all guidelines established by the LPDC as outlined in Ohio Revised Code (ORC) 3301-24-08.

The requirements for renewing your ODE licensure include achieving either one or a combination of the following...

- **6 semester hours** from an approved college or university
- **9 quarter hours** from an approved college or university
- **18 CEU's** acquired from educator participation in LPDC approved PD (Professional Development Activities)
- **180 Contact/Clock hours** acquired from educator participation in LPDC approved PD (Professional Development Activities)

Conversions made simple:

1 Contact hour = 1 Clock hour

10 Contact/Clock hours = 1 CEU

1 Quarter hour = 2 CEU's

1 Semester hour = 3 CEU's

REMINDER: CONTACT/CLOCK HOURS are NOT DIRECTLY EQUIVALENT TO CEU's!

Approved College or University

An approved college or university is one that has been approved for the preparation of teachers, administrators, and school employees in pupil personal services by the State Board of Education.

Documentation of college or university courses must be in the form of an official transcript from that university or college! Grade records are not acceptable!

CEU's / Clock Hours

One continuing education unit (CEU) is equal to ten contact or clock hours in a professional development program approved by the local professional development committee. If not already clearly defined, LPDC will have the responsibility of assigning CEU's to proposed seminars, workshops, professional activities, etc.

Documentation of CEU's/Contact hours must include date of activity and exact # of CEU's or Contact hours earned.
