Kickboard On-Demand Course Offerings

The following are Kickboard's on-demand, online courses for educators. Each self-directed course takes approximately 3 to 6 hours.

Trauma-Informed Schools

A Trauma-Informed Approach to Family Engagement

In this course we explore the impact of trauma on children and families and provide trauma-informed practices and processes that teachers can use to actively engage and empower families, and effectively meet the diverse needs of their students and the broader school community.

Foundations for a Trauma-Responsive School: Key Practices & Tools for Fostering Resilience

This session will then provide a framework for the practice of trauma-informed care and will provide guidance and practical tools on integrating trauma informed practices into the school and its classrooms.

Equity & Anti-Racism

Equity and Anti-Racism Training for School and District Leadership

In partnership with Haley Responsive Education Corporation (HREC), this course will guide you to examine issues of racism and inequity, and equip them with strategies, practices and ideas to create both equity and a culture of antiracism in their sphere of influence.

Equity and Anti-Racism Training for Educators

In partnership with Anti-Racism Courses for Teachers (ARC), this course will lead you through four distinct phases of equity and anti-racism work: Awareness, Examination, Acknowledgement, and Action.

Positive School Culture & Climate

Creating Positive Classroom Learning Environments

This course will provide tools and strategies you can implement immediately to skillfully encourage more of the positive behaviors you desire in your school and classroom.

Creating a Positive School Culture

This course will review the key components of a positive school culture and provide the tools and strategies needed to help you build an intentional plan for your classroom and school.

Empowering Staff for Success : Mindsets, Tools, and Strategies for a Positive School Culture Audience

This course will be to empower you and your colleagues to ensure a positive school culture for the students you serve. You'll explore how positivity leads to increased student success walk away with concrete strategies for teaching positive behavior and building resilience in your classroom and across the school.

Social-Emotional-Learning

Social Emotional Coaching 1: An Introduction to Practices

This course will support you in building your capacity to develop and support Social Emotional programs in your classroom and community. You will learn about specific SEL coaching competencies, qualities, and roles and begin to develop a plan for SEL implementation.

Social Emotional Coaching 2: Advanced Practices*

This advanced course will prepare participants to implement a school-wide SEL plan by creating teams, engaging the school community, and problem-solving challenging scenarios using effective problem-solving protocols and consultation models.
